Is there a Princess cruise senior discount for passengers who want to save on their next sailing? Discover what older travelers should know about special cruise fares, promotional savings and available booking offers. Princess Cruises does not advertise a permanent senior discount that applies automatically to every reservation. However, travelers can check its current promotions and past guest benefits for possible savings. Review the offer details before making a reservation, or call +1-888-653-0010 for booking assistance.
